

To ensure continuity of the advisory and statutory bodies (ASBs) 'work during membership transitions and to enable appeal boards to properly handle appeal cases requiring longer processing time, the appointment authorities may need to extend the terms of certain incumbent non-official members beyond 6 years. Owing to the specialised work nature of individual ASBs, it may also be necessary to retain members with relevant professional expertise or experience to maintain the ASBs' effective operation.

As at 31 December 2024, 14 Government appointed non-official members have been appointed to more than 6 ASBs. Concurrently, 272 Government appointed non-official members of ASBs have served in the same capacity of an ASB for over 6 years.

為確保諮詢及法定組織在成員更替過渡期間維持工作延續性，並使上訴委員會能妥善處理需時較長的上訴個案，委任當局或需將部分現任非官方成員的任期延長逾 6 年。此外，鑒於各諮詢及法定組織的獨特工作性質，當局或需保留具相關專業知識或經驗的成員，以確保有關組織有效運作。

截至 2024 年 12 月 31 日，14 位政府委任非官方成員獲政府委任至 6 個以上的諮詢及法定組織。同時，有 272 位政府委任非官方成員於有關諮詢及法定組織擔任同一職位超過 6 年。）
